GTX70

#6

Pershing GTX70

Let yourself be struck by wonder. The Pershing GTX70 is the compact SUY with boundless potential and uncompromising ambition. Agility and dynamism merge in an innovative design that maximizes space and creates new onboard experiences, in true GTX Series style.

**Open
Sportfly**

**Phantom
Door**

**C-shaped
Sofa**

**Beach
Club**

The sportfly, featuring a helm station, can be equipped with a carbon-frame awning suitable for navigation, enhancing both sportiness and versatility.

A retractable door and a sophisticated electric window system seamlessly connect the cockpit and the main salon, an integration of design and technology that amplifies the onboard space and enhances its versatility.

In the shaded area of the cockpit, a C-shaped sofa around a coffee table creates a sheltered yet open space, ideal for socializing and relaxation.

The largest aft you'll find, designed as a beach area with openable wings to expand space, offering a privileged spot just inches above sea level.

Compact, sporty, and resolute, the Pershing GTX70 features triple IPS engines and an advanced control system. Designed for refined comfort and effortless maneuverability, it provides a driving experience that balances elegance with ease.

Pershing GTX70 Propulsion

Aboard the GTX70, space management is expertly optimized to deliver maximum comfort with maximum efficiency. The design seamlessly integrates exteriors and interiors, harmoniously blending with the surroundings. Innovative features, such as the retractable door that separates the cockpit and the opening wings that expand the beach area, enhance both versatility and space.

Elegance and meticulous attention to detail combine with Pershing's signature dynamism and sportiness, offering unmatched style, comfort, and livability.
