PRESTIGE M48

OVERVIEW

The M-Line is a new line of powerful Prestige catamarans.

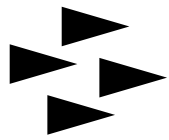

M-Line yachts feature hulls specifically designed to reduce fuel consumption and promote a calm, serene, and harmonious life on board.

Prestige catamarans demonstrate exceptional stability and safety both underway and at anchor. Their distinctive features include a saloon with panoramic windows and sliding glass doors and a full-length owner's cabin.

The first 50-foot model, the M48, which offers usable space comparable to a 60-footer, was immediately praised by customers and has won several awards.

The rectangular deck area allows every corner to be used effectively.

Plenty of space for sunbathing, relaxation, and storage. The 20 sq. m. flybridge, full-beam master suite, and unique guest cabin layout provide privacy and maximize cruising pleasure. Three or four en-suite cabins are available.

TECHNICAL SPECIFICATIONS

Year 2026

Overall length 14.79 m

Hull length 14.37 m

Width 6 m

Dry weight 18,639 kg

Displacement 25,964 kg
